Vancouver, BC – March 9th, 2018 – E3 METALS CORP. (TSX-V: ETMC, FSE: OU7A, OTC: EEMMF) (the “Company”, “E3” or “E3 Metals”) is pleased to invite shareholders and the energy community to the 2018 Canadian Financing Forum taking place on March 13th, 2018 at the Fairmont Waterfront Hotel, Vancouver, BC. E3 Metals’ CEO, Chris Doornbos, will be presenting at the event in the afternoon session at 2:20pm. Please visit us afterwards at our booth.

E3 Metals is also pleased to announce that it is exhibiting at the Globe Forum, a leadership summit for sustainable business from March 14-16, 2018. Please visit us at booth #800, located in the Alberta Pavilion at the Vancouver Convention Centre - East.

“We are excited to share the E3 Metals vision and value proposition at the Canadian Financing Forum and Globe Forum and look forward to engaging with potential investors and collaborators,” commented E3’s CEO, Chris Doornbos.

E3 METALS CORP.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release includes certain forward-looking statements concerning the development of the Company's Alberta Petro-Lithium Project, the Company's intention to establish a mineral resource estimate in respect of its Alberta Petro-Lithium Project and the results thereof, the reliability or accuracy of sampling results, the anticipated results of future sampling programs, the future performance of our business, its operations and its financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. Forward-looking statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-looking statements are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, results of current and future testing, competitive risks and the availability of financing, as described in more detail in our recent securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward looking statements and we caution against placing undue reliance thereon. We assume no obligation to revise or update these forward looking statements except as required by applicable law.
